

DINING GUIDELINES

Dear Members,

We are pleased to announce that MBCC will be re-opening for on-premise dining beginning Friday, May 29th! As we usher in a new era of our renovated clubhouse, we are also ushering in several new operating rules due to the ever evolving COVID-19 landscape. Please know that the health and safety of our members and staff continue to be our number one priority. The information below contains current information for our Food & Beverage operation based on Forward Dane guidelines.
